RE: Miguel Morales

To Whom It May Concern,

I've been a residential and commercial builder for 30 years and have worked with Miguel Morales for 24 of those years. Miguel's list of natural talents is extensive and his years of hands-on work have provided him with extensive insight. Miguel is a practical man with the ability to visualize a project from start to finish, maintaining his no-nonsense approach. He's not afraid to ask questions or offer suggestions, and when he spots flaws or errors he's adamant on clarification. I find Miguel to be an honest, caring, hardworking man with great knowledge at every level. When I review a potential project I ask Miguel for counsel to discuss specifics. I highly recommend Miguel Morales to anyone.
